Vision and General Exclusions

Important information

This policy provides vision care limited benefits health insurance only. It does not provide basic hospital, basic medical or major medical insurance as defined by the New York State Insurance Department. Coverage is limited to those charges that are necessary for a routine vision examination. Co-pays apply. The plan does not pay for:

- Orthoptics or vision training and any associated supplemental testing;
- Medical or surgical treatment of the eye;
- Eye examination or corrective eyewear required by an employer as a condition of employment;
- Replacement of lenses and frames that are furnished under this plan, which are lost or broken (except at normal intervals when services are otherwise available or a warranty exists).

The plan limits benefits for blended lenses, oversized lenses, photochromic lenses, tinted lenses, progressive multifocal lenses, coated or laminated lenses, a frame that exceeds plan allowance, cosmetic lenses; U-V protected lenses and optional cosmetic processes. The services, exclusions and limitations listed above do not constitute a contract and are a summary only. The Guardian plan documents are the final arbiter of coverage. Contract #GP-1-DAVIS-05-VIS et al.

Laser Correction Surgery

Laser surgery is not an insured benefit. The surgery is available at a discounted fee. The covered person must pay the entire discounted fee. In addition, the laser surgery discount may not be available in all states.

1 If contact lenses from formulary are chosen, then evaluation and fit may be included. When contact lenses not in the Formulary are chosen and the evaluation, fit and lenses are supplied by the same vision provider at the same time, all can be applied to the elective contact lens allowance.

2 Frames from Davis Vision's Fashion, Designer, or Premier collections are covered in full in excess of the plan's materials copay. Frames from a Davis Vision network provider that are not in the collections are covered up to the plan's retail allowance in excess of the plan's materials copay.

3 Polycarbonate lenses covered in full for monocular patients and patients with prescriptions greater than or equal to +/-6.00 diopters.

At Sam's Club/Wal-Mart Vision Centers, members receive Sam's Club/Wal-Mart's everyday low price on frame and contact lenses purchases. For eyeglass lens purchases the member receives the lesser of Sam's Club/Wal-Mart's everyday low price or the Davis Vision fixed charge.
